### TRINITY DOME - America's Catholic Church

Next weekend we will have a 2nd collection at all Masses for the Trinity Dome. Affectionately referred to as America's Catholic Church, the Basilica of the National Shrine of the Immaculate Conception in Washington, DC, has been a century in the making since the laying of its foundation stone in 1920. It has been designated as a National Sanctuary of Prayer and Pilgrimage, is the largest Roman Catholic Church in North America and is one of the 10 largest churches in the world. The Trinity Dome is the central and largest dome of the Basilica. This "Crowning Jewel" will be adorned in mosaic. The Bishops of the United States approved a special one-time 2nd collection for the Trinity Dome. Your prayerful and financial support will help adorn the Dome and complete Mary's Shrine, leaving a lasting legacy for generations to come. Visit [www.trinitydome.org](http://www.trinitydome.org) for more details.
