JESUS CHRIST WAS BURIED

Christ in the tomb in his body

Christ's stay in the tomb constitutes the real link between his passible state before Easter and his glorious and risen state today. The same person of the "Living One" can say, "I died, and behold I am alive for evermore":

God (the Son) did not impede death from separating his soul from his body according to the necessary order of nature, but has reunited them to one another in the Resurrection, *so that he himself might be, in his person, the meeting point for death and life*, by arresting in himself the decomposition of nature produced by death and so becoming the source of reunion for the separated parts. CCC 625

Since the "Author of Life" who was killed is the same "living one (who has) risen," the divine person of the Son of God necessarily continued to possess his human soul and body, separated from each other by death:

By the fact that at Christ's death his soul was separated from his flesh, his one person is not itself divided into two persons; for the human body and soul of Christ have existed in the same way from the beginning of his earthly existence, in the divine person of the Word; and in death, although separated from each other, both remained with one and the same person of the Word. CCC 626

Reflection of the week

Trusting God is like Peter walking on water. As soon as you stop trusting Him you start sinking.

St. Philip Benizi Mission Statement

St. Philip Benizi Catholic Church being part of the universal church shares in its mission: to proclaim Jesus Christ who came to the world to fulfill His father's will; by proclaiming the kingdom of God, building up the parish community as a witness to God's love and care for the world, helping one another to become what God has called us to be. We are therefore encouraged to work toward God's purpose of "wanting all men to be saved and come to the knowledge of the truth." (1 Tim 2:4).
