St. Philip Benizi Mission Statement

St. Philip Benizi Catholic Church, being part of the universal Church, shares in its mission: to proclaim Jesus Christ who came to the world to fulfill His father's will; by proclaiming the kingdom of God, building up the parish community as a witness to God's love and care for the world, helping one another to become what God has called us to be. We are therefore encouraged to work toward God's purpose of "wanting all men to be saved and come to the knowledge of the truth." (1 Tim 2:4).

Saint of the Week:

St. Denis of Paris

342-420

Feastday: 10/9

Patron: France

Saint Denis and Companions' Story

This martyr and patron of France is regarded as the first bishop of Paris. His popularity is due to a series of legends, especially those connecting him with the great abbey church of St. Denis in Paris. He was for a time confused with the writer now called Pseudo-Dionysius.

The best hypothesis contends that Denis was sent to Gaul from Rome in the third century and beheaded in the persecution under Emperor Valerius in 258.

According to one of the legends, after he was martyred on Montmartre—literally, “mountain of martyrs”—in Paris, he carried his head to a village northeast of the city. Saint Genevieve built a basilica over his tomb at the beginning of the sixth century.

Reflection

Again, we have the case of a saint about whom almost nothing is known, yet one whose cult has been a vigorous part of the Church's history for centuries. We can only conclude that the deep impression the saint made on the people of his day reflected a life of unusual holiness. In all such cases, there are two fundamental facts: A great man gave his life for Christ, and the Church has never forgotten him—a human symbol of God's eternal mindfulness.
