St. Philip Benizi Mission Statement

St. Philip Benizi Catholic Church, being part of the universal Church, shares in its mission: to proclaim Jesus Christ who came to the world to fulfill His father's will; by proclaiming the kingdom of God, building up the parish community as a witness to God's love and care for the world, helping one another to become what God has called us to be. We are therefore encouraged to work toward God's purpose of "wanting all men to be saved and come to the knowledge of the truth." (1 Tim 2:4).

What if, instead of chocolate, coffee, or even a bad habit, you gave up your entire self in surrender to Jesus this Lent?

That would impact your faith long after Lent was over.

That sounds nice. *But how do we surrender?*

That's where *Crux* comes in.

The *Crux* challenge is designed to teach you *how* to surrender through encountering your own weakness and the God who meets you there.

Participants take on four challenges inspired by the Cross of Christ:

1. Daily Scripture reading
2. A nightly Examen
3. One Physical exercise of your choice
4. One dietary fast of your choice.

But don't worry – *Crux* isn't about lifting huge weights or starving yourself. It is about encountering your weakness honestly and discovering the God who meets you there.

And you don't do this alone!

Each day, Fr. Columbia Jordan shares short video reflections in the *Ascension* app to encourage you, guide you when you struggle, and help you recognize where God is inviting you to surrender.

For a limited time, join the CRUX Lenten Challenge in the Ascension App for just \$4.99

When was the last time you had a really memorable Lent?

This year, don't just give up chocolate. Do something bold. Fuel your Lent with inspiration by diving into Matthew Kelly's spiritual guide: *Rediscover Lent*. This little book of daily prayers and reflections is specially designed to help you grow in your faith ... and have the kind of Lent that transforms you from the inside out.

Lent is the perfect time to stop and reflect on the state of our souls, to examine the way we live our lives. What habits need to change? How can we live more intentionally? How can we grow in our faith? What would transformation look like?

It only takes a few minutes a day. Plus, for a limited time, you can get *Rediscover Lent* for 33% off and FREE shipping. To order *Rediscover Lent*, go to the Dynamic Catholic website.

In the spiritual classic [The Brothers Karamazov](#), Fyodor Dostoevsky draws us into the life of a broken household—an immoral, manipulative father and his three very different sons—each searching for meaning while carrying the weight of faith, doubt, guilt, and love in their own way.

As their stories intertwine, something haunting and hopeful emerges: no choice is ever isolated. Our sin spills beyond us. Our love does too. Every act—spoken or silent—ripples through the lives of others. **Join thousands around the world as we read this book together**

as part of the [Hallow Lent Pray40 Challenge](#).

To order *The Brother Karamazov*, go to Ave Maria Press website.

To join the challenge, download the Hallow App.
